#10 Summarize the strengths and weaknesses of the Teaching Fellow. In what ways was their teaching effective and in what ways could their teaching be improved?
Instructor: Pereira Cordeiro, Fernando

Responses for Instructor: 13
Declined to Answer Question: 30

Respondent	Answer
1522039	Fernando was very kind to walk students through question by question on quizzes or problem sets. One weakness I think was emphasis on theory rather than R but I think that's a reflection on the class rather than on Fernando.
1522369	He's a nice guy, but we often don't finish all there is to do in section in the fifty minute time period. I think the sections overall could be improved to be more relevant, but that has nothing to do with Fernando's performance.
1524579	Best teaching fellow ever
1534209	He does an excellent job explaining hard concepts.
1534295	Super responsive
1536223	Very helpful! Clear explanations during sections and office hours
1539330	he was a good tf that helped me learn the concepts a lot better than i did in class
1545036	Great TA.
1545047	Supportive
1545051	Was very effective at reviewing topics and demonstrated a mastery of the material which aided in explanations.
1545850	Very helpful in the aspect to r studio. A big help setting up the program and familiarizing.
1555161	He tried to help us understand the core concepts better.
1555474	Strengths: Accessible, engaging during section Weaknesses: None
